

# Tri-City Youth Curling Association

## 2019-2020 Partner Opportunities

In exchange for your financial support as a Partner with the Tri-City Youth Curling Association your organization name and or logo will be printed on a fabric overlay and installed in the ice as an integral part of the playing area at the 2019 Marsh Madness Summer Spiel and at the Tri-City Curling Club during the 2019-2020 curling season. There are four options from which to choose; A) four-foot circular overlay, B) one-quarter house sector, C) button, and D) hogline. These areas are illustrated below.

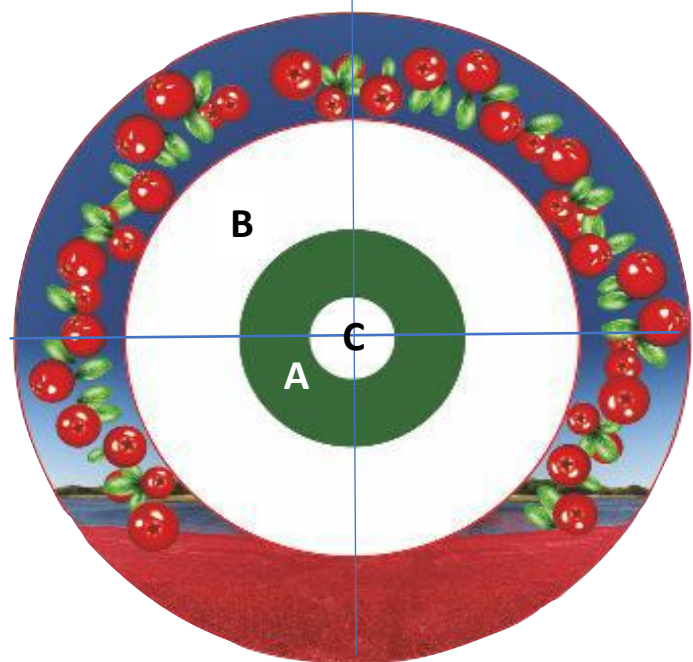

**A. Four-Foot Overlay** - The four-foot diameter circle in the center of the curling house and includes (C) a twelve or eighteen inch diameter "Button."

**B. One-Quarter House Sector** - The white area on the illustration between the outer arc of the four-foot and the outer arc of the eight-foot arc. It is two feet wide with the mid-point arc about four feet and five inches long. Artwork is scaled to fit within the area.

**C. The Button** - An eighteen-inch diameter circle in the center of the house. The exact center is used to determine which team scores in each end.

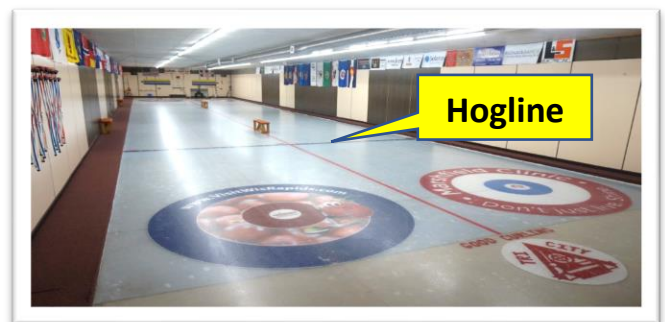

**D. Hogline** – The Hogline is a six-inch-wide by fifteen-foot-long strip that extends the full width of a curling sheet twenty-one feet in front of each T-line. Stones must be released before crossing the hogline and fully cross the hogline on the opposite end. (Shown on the photograph)

### Curling House Partner Options

### Gold Plan

The Gold Plan features the two curling sheets and four houses at the Tri-City Curling Club facility where the partner overlays will be placed in the ice for the entire 2019-2020 curling season and the 2019 Marsh Madness Summer Spiel on July 12-14.

### Silver Plan

The Silver Plan is tailored to the Marsh Madness Summer Spiel which has more options for the A, B, C and D overlays to be placed in the ice because there are five curling sheets with 10 houses. Silver Plan partner overlays will also be positioned in the ice in areas outside of the houses at the curling club for the 2019-2020 season.
